Superintendent's Highlights

Due to ISAT Remedial Prep classes, our students continue to make gains in Mathematics, Reading, and Language. Tenth grade students achieved 100% proficiency in meeting their High School Graduation Requirements in Language Arts, Mathematics, and Reading. Students in grades 2 through 7 have gone from the ISAT basic level to where the majority of the students are becoming proficient.

Voters will consider a Supplemental Levy in the amount of \$315,000 on May 18, 2004, \$10,000 less than last year's levy amount that was approved. The Supplemental Levy is necessary for the basic operation of the school district due to the state and local revenue shortfall.

With the assistance of community volunteers providing the equipment, drilling the well, and the necessary soil to build the field, the students and community will have a new football field by August 2004.
